The Class of 1974 Presents
The Laurentian
Laurens Community School Laurens, Iowa

During the time we have worked on our year book, two businesses have given us much of their time. They are Strathman Studios of Pocahontas and The Laurens Sun. To them we express our deep and sincere gratitude.

The future is often times the greatest paradox known to man. What seemingly must happen, rarely does, and what is seemingly impossible, nearly always occurs. It makes fools of wise men and wise men out of fools, for the wiser a man thinks he becomes, the more he insists on chasing the future. It can be the most fickle or the most faithful lover of all time, but it is never the same to any two men. It is one thing in which everyone may express his individuality. Whether the future holds order or chaos is a fact known only to the future.

Thus, we the class of 1974 dedicate our annual to the future with all its hopes and fears, dreams and tears, and its infinity.

The chain of time rattles forever in the halls of then and now.

Concert

The band and vocal departments have shown great promise this year. Their concerts were well done, but the community support was very poor. Contest was also a great success for us. State Band, along with Swing Choir made a trip to Chicago in January, in which they performed at three different schools. The main reason for the success of the two departments has been due to Mr. and Mrs. Liljedahl. Those of us involved in the music

program feel that the unique situation of having a husband-wife team handling the music department is the reason that there has been so much cooperation between the two sections. This cooperation was evidenced in joint efforts such as the Wing Show. This year was a great year for Music at LHS for the students. Next year, we hope for more support from our community.

Dorlis Ranae Miller

October 18, 1955—August 10, 1974

We, the senior class of 1974, would like to dedicate this page to Dode Miller. She was a friend and a classmate who, through her strength and courage, inspired all of us. Dode treasured each moment of every day and lived life to its fullest. Throughout her years with us, we knew her always to be a unique individual. Dode's personal philosophy, exemplified by her motto, will be the epitaph by which she will never be forgotten by those who had the privilege of having known her. "Be happy and the world will shine for you."

Help the Night Stalker

Oh, I got a cramp in my hand.

Where'd you put the Roloids.

Ummmmmmmmgg
ggggghhhh

Gee, my first kiss.

I think that I'm pregnant.

Are the Roloids out here?

This damn hat.

I have this wart on my tongue, see.

Where is my girdle?

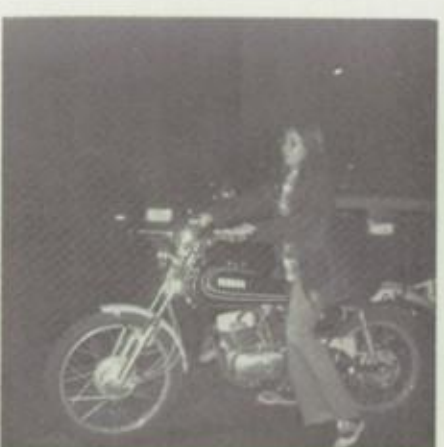

Even a blind man can get mugged.

No more tangles.

A penny for a blind man.

Yamaha, fly my Lady away.

That tackle is really built.

Same to you sister.

Is this dead or alive?

Sleeping Beauty

Shades of Janis Joplin.

Number One what?

Gentlemen prefer Hanes.

See my ingrown toenail?

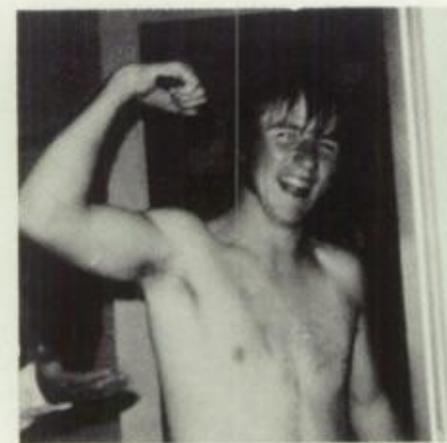

Presenting the worlds greatest

Damn

Here she is, Miss America.

Move over Charles Atlas.

Recycled potato chips--
Bleeck!

I think I love you.

Be sure to follow your nose.

We believe in premarital in-
terdigitation.

Make him an offer he cannot
refuse.

What do ya mean been on the
floor?

It has often been said that fools rush in where angels fear to tread. In such a publishing endeavor as this, the truth of the above was all too obvious, to all too many of us, too much of the time. That we all rushed in as fools is evident, and even the consolation of coming out of where we rushed in as angels, is denied such mortals as us until we die.

Say, does the Grim Reaper carry an hourglass and a scythe.

Annual Staff

How is a yearbook made? With lots of blood, sweat, and tears...The patience and stamina to endure to the last finishing pages...And the attribute of dependability. I wish to thank my remaining staff for picking up the loose ends after the resignation of our editor. Without these dedicated few, the yearbook would never have been completed.

It poured water, ice, and ham that last night.
